PROXY STATEMENT 2019 ANNUAL MEETING OF STOCKHOLDERS To Be Held on May 30, 2019

GENERAL INFORMATION

The board of directors (“Board”) of Fulgent Genetics, Inc., a Delaware corporation (the “Company”, “we”, “us” or “our”), is providing this proxy statement (“Proxy Statement”) and all other proxy materials to you in connection with the solicitation of proxies for use at our 2019 annual meeting of stockholders (“Annual Meeting”). The Annual Meeting will be held at our offices at 4401 Santa Anita Ave, Suite 214, El Monte, California 91731, on Thursday, May 30, 2019, at 9:00 a.m. Pacific Time (“PT”), or any adjournment or postponement thereof, for the purposes stated in this Proxy Statement. Stockholders are being asked to vote at the Annual Meeting on the following three proposals: (1) the election of four directors to the Board; (2) the ratification of the appointment of Deloitte & Touche LLP (“D&T”) as our independent registered public accounting firm for the fiscal year ending December 31, 2019; and (3) such other business as may properly come before the Annual Meeting. This Proxy Statement summarizes the information that you need to know in order to vote on these proposals in an informed manner.

Delivery of Proxy Materials

In accordance with rules adopted by the Securities and Exchange Commission (“SEC”), we have elected to deliver our proxy materials for the Annual Meeting, including this Proxy Statement, our 2018 annual report, which includes our annual report on Form 10-K for the year ended December 31, 2018 (“Annual Report”), and a proxy card for the Annual Meeting, to our stockholders by mail or, if a stockholder has previously agreed, by e-mail. Accordingly, we expect to mail or, to stockholders who have agreed, e-mail this Proxy Statement and our other proxy materials to our stockholders on or about April 23, 2019. If you would like to receive our proxy materials for future annual meetings of our stockholders by e-mail rather than by mail, you may submit such consent to electronic delivery by writing to the attention of our Corporate Secretary at the address of our principal executive offices.

In addition, we are also making all of our proxy materials for the Annual Meeting available on the Internet. Applicable SEC rules require us to notify our stockholders of the availability of our proxy materials on the Internet with the following notice:

**Important Notice Regarding the Availability of Proxy Materials
for the Stockholder Meeting to be held on Thursday, May 30, 2019**

**This Proxy Statement and the Annual Report are available at
www.envisionreports.com/FLGT**

Record Date; Outstanding Shares

All stockholders that owned shares of our common stock at the close of business on April 5, 2019, the date which has been fixed by the Board as the record date for the Annual Meeting, are entitled to vote at the Annual Meeting.

On the record date for the Annual Meeting, 18,287,400 shares of our common stock were outstanding.

Voting Matters

Voting Rights

Each share of our common stock entitles the owner of the share to one vote on all matters to be voted on at the Annual Meeting. The proxy card mailed or otherwise delivered to you indicates the number of shares of our common stock that you own.

Quorum Requirement

We will have the required quorum to conduct the business of the Annual Meeting if holders of a majority of the outstanding shares of our common stock as of the record date are present in person or represented by proxy at the Annual Meeting. Shares represented by proxies that reflect abstentions or broker non-votes (discussed below under “Effect of Not Providing Voting Instructions; Broker Non-Votes”) will be counted for purposes of determining the presence of a quorum at the Annual Meeting.

Effect of Not Providing Voting Instructions; Broker Non-Votes

Stockholders of Record. You are a “stockholder of record” if your shares are registered directly in your name with Computershare Trust Company, N.A., our transfer agent. If you were a stockholder of record at the close of business on the record date for the Annual Meeting and you submit a valid proxy that does not provide voting instructions with respect to your shares, all shares represented by your proxy will be voted in accordance with the recommendation of our Board on each proposal to be presented at the Annual Meeting, as described in this Proxy Statement.

Beneficial Owners of Shares Held in Street Name. You are a beneficial owner of share held in “street name” if your shares are not held of record in your name but are held by a broker, bank or other nominee on your behalf as the beneficial owner. If your shares were held in street name at the close of business on the record date for the Annual Meeting, it is critical that you provide voting instructions to your broker, bank or other nominee if you want your vote to count on the election of directors (Proposal 1). This proposal constitutes a “non-routine” matter on which a broker, bank or other nominee is not entitled to vote shares held for a beneficial owner without receiving specific voting instructions from the beneficial owner. As a result, if you hold your shares in street name and you do not instruct your broker, bank or other nominee on how to vote on Proposal 1, then no vote will be cast on this proposal on your behalf and a “broker non-vote” will occur. Your broker, bank or other nominee will, however, have discretion to vote uninstructed shares on the ratification of the appointment of D&T as our independent registered public accounting firm (Proposal 2), because this proposal constitutes a “routine” matter on which a broker, bank or other nominee is entitled to vote shares held on behalf of a beneficial owner even without receiving voting instructions from the beneficial owner. As a result, broker non-votes are not expected to occur in the vote on Proposal 2.

Voting Requirements

The election of directors (Proposal 1) will be determined by a plurality of the votes cast on the proposal by shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the proposal at the Annual Meeting. This means that the four nominees who receive the highest number of affirmative votes will be duly elected as directors. As a result, because of the nature of this voting requirement, abstentions and broker non-votes, if any, will have no effect on the outcome of the election of directors.

The ratification of the appointment of D&T as our independent registered public accounting firm (Proposal 2) must be approved by the affirmative vote of a majority of the votes cast for the proposal by shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the proposal at the Annual Meeting. As a result, abstentions, if any, will have no effect on the outcome of the votes on this proposal because abstentions are not considered to be present or entitled to vote with respect to the proposal for which they occur; broker non-votes are not expected to occur on Proposal 2 because, as discussed above, brokers, banks and other nominees will be entitled to vote uninstructed shares held in street name on this proposal.

The following is a summary of the voting requirements for each proposal to be voted on at the Annual Meeting:

Proposal	Vote Required	Routine vs. Non-Routine Matter	Effect of Abstentions and Broker Non-Votes
1: Election of Directors	Plurality of Votes Cast	Non-Routine	No effect
2: Ratification of Auditor	Majority of Votes Cast	Routine	Abstentions: No effect Broker non-votes: None expected

Tabulation of Votes

The inspector of elections of the Annual Meeting will tabulate the votes of our stockholders at the Annual Meeting. All shares of our common stock represented by proxy at the Annual Meeting will be voted in accordance with the voting instructions given on the proxy, as long as the proxy is properly submitted and unrevoked and is received by the applicable deadline, all as described under “How to Cast or Revoke Your Vote” below. If the Annual Meeting is adjourned or postponed, properly submitted and unrevoked proxies will remain effective and will be voted at the adjourned or postponed Annual Meeting, and stockholders will retain the right to revoke any such proxy until it is actually voted at the adjourned or postponed Annual Meeting.

How to Cast or Revoke Your Vote

Stockholders of Record

If you are a stockholder of record entitled to vote at the Annual Meeting, you may vote in any one of the following ways:

- *By Telephone.* You may vote by proxy by calling the toll-free number found on the accompanying proxy card for the Annual Meeting.
- *On the Internet.* You may vote by proxy on the Internet by visiting www.envisionreports.com/FLGT and following the instructions on the accompanying proxy card for the Annual Meeting.
- *By Mail.* You may vote by proxy by completing in full the accompanying proxy card for the Annual Meeting and mailing it in the envelope provided.
- *In Person.* You may vote in person at the Annual Meeting. We will provide you a voting ballot when you arrive.

Votes submitted by telephone or on the Internet must be received by 9:00 a.m. PT on Thursday, May 30, 2019 to be counted. Votes submitted in person or by mail must be cast or received no later than the close of voting at the Annual Meeting to be counted.

Once you have submitted your proxy by telephone, on the Internet or by mail, you may revoke it at any time before it is voted at the Annual Meeting by taking any one of the following actions:

- *Later-Dated Vote.* You may revoke a previously-submitted proxy by submitting a later-dated vote by telephone, on the Internet, by mail or in person at the Annual Meeting.
- *Written Notice.* You may also revoke a previously-submitted proxy by sending or otherwise delivering a written notice of revocation to the attention of our Corporate Secretary at the address of our principal executive offices.

To be effective, any later-dated vote must be received by the applicable deadline for the voting method used and any written notice of revocation must be received no later than the close of voting at the Annual Meeting. Only your latest-dated vote that is received by the deadline applicable to the voting method used will be counted.

Beneficial Owners of Shares Held in Street Name

If you are a beneficial owner of shares held in street name, you have the right to direct your broker, bank or other nominee on how to vote your shares. You should do so by following the instructions provided by your broker, bank or other nominee regarding how to vote your shares and how to revoke a previously submitted proxy. The availability of telephone, Internet or other voting methods will depend on the voting processes of the broker, bank or other nominee that holds your shares.

Attending the Annual Meeting

All stockholders that owned our common stock at the close of business on the record date, or their duly appointed proxies, may attend the Annual Meeting in person. If you elect to attend the Annual Meeting, you may be asked to present valid picture identification, such as a driver's license or passport, to gain admission. Additionally, if your shares are held in street name, you will need to bring a copy of a brokerage statement reflecting your ownership of our common stock as of the record date for the Annual Meeting, as well as a legal proxy issued in your name from the broker, bank or other nominee that holds your shares. Contact your broker, bank or other nominee to obtain these items.

Submitting your proxy before the Annual Meeting will not affect your right to vote in person if you decide to attend the Annual Meeting, and you are encouraged to vote by proxy before the Annual Meeting to ensure your vote will be counted. However, your attendance at the Annual Meeting after having submitted a valid proxy will not in and of itself constitute a revocation of your proxy. In order to do so, you must give oral notice of your intention to vote in person to the inspector of elections of the Annual Meeting and submit a completed ballot at the Annual Meeting reflecting your new vote.

Householding

We have adopted a procedure called "householding," which has been approved by the SEC. Under this procedure, we are delivering a single copy of this Proxy Statement and our Annual Report to multiple stockholders who share the same address, unless we have received contrary instructions from a stockholder. This procedure reduces the Company's printing and mailing costs and other fees. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Additionally, upon written or oral request, we will deliver promptly a separate copy of this Proxy Statement or the Annual Report to any stockholder at a shared address to which we have delivered a single copy of these materials. To receive a separate copy of this Proxy Statement or the Annual Report, or to notify us that you wish to receive separate copies of our proxy materials for future annual meetings of our stockholders, write to the attention of our Corporate Secretary at the address of our principal executive offices or call (626) 350-0537. Stockholders who share an address and are receiving multiple copies of our proxy materials may also request to receive a single copy of the Proxy Statement and the Annual Report or our proxy materials for future annual meetings of our stockholders by writing or calling us at the address or telephone number provided above.

Solicitation

This solicitation is made by our Board and we will bear the entire cost of soliciting proxies, including the costs of preparing, printing, assembling and mailing this Proxy Statement, the Annual Report, the accompanying proxy card for the Annual Meeting and any additional proxy materials we may furnish to stockholders. We will provide copies of solicitation materials to brokers, banks and other nominees holding in their names shares of our common stock that are beneficially owned by others for forwarding to the beneficial owners of those shares, and we may reimburse persons representing beneficial owners for their costs of forwarding solicitation materials to the beneficial owners. Solicitations will be made primarily through the delivery of our proxy materials to stockholders and the availability of these materials on the Internet, but may be supplemented by telephone, mail, e-mail or personal solicitation by our directors, executive officers or other employees. We will pay no additional compensation to these individuals for these activities. In addition, we have not engaged employees for the specific purpose of soliciting proxies or a proxy solicitation firm to assist us in soliciting proxies, but we may elect to engage and pay the cost of such employees or such a proxy solicitation firm at any time.

PROPOSAL 1: ELECTION OF DIRECTORS

Our Board, acting pursuant to our bylaws, has determined that the number of directors constituting the full Board is to be four. The Board has, upon recommendation of our nominating committee, nominated Ming Hsieh, John Bolger, James J. Mulay (Mulé), I.Ph.D. and Yun Yen, M.D., Ph.D., F.A.C.P. for election as members of the Board, and you are being asked to vote on each of these four director nominees.

Each of the nominees is currently a director of our Company and was elected or re-elected by our stockholders at our 2018 annual meeting of stockholders. Upon his re-election at the Annual Meeting, each director will serve a one-year term until the next annual meeting of our stockholders and until his successor is duly elected and qualified or until his earlier resignation or removal. During the course of a term, the Board may appoint a new director to fill any vacant seat. In that event, the newly appointed director would complete the term of the director he or she replaced or, if appointed to fill a vacancy caused by an increase to the size of the Board, serve until the next annual meeting of our stockholders. Each person nominated for election at the Annual Meeting has agreed to serve if elected, and we have no reason to believe any nominee will be unable to serve. However, if any nominee cannot serve, then your proxy will be voted for another nominee proposed by the Board or, if no nominee is proposed by the Board, a vacancy will occur.

We encourage, but do not require, our directors to attend meetings of our stockholders. None of our directors attended our 2018 annual meeting of stockholders, and none of our directors is expected to attend the Annual Meeting.

**PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

We are asking our stockholders to ratify the appointment of D&T as our independent registered public accounting firm for the fiscal year ending December 31, 2019. D&T has audited our financial statements for the five annual periods ending December 31, 2018. Representatives of D&T are expected to be present at the Annual Meeting to answer appropriate questions and make a statement if they desire to do so.

Although our bylaws do not require that our stockholders approve the appointment of our independent registered public accounting firm, we are submitting the appointment of D&T to our stockholders for ratification as a matter of good corporate practice. If our stockholders vote against the ratification of the appointment of D&T, the audit committee of the Board will consider whether to retain the firm. Even if our stockholders ratify the appointment of D&T, the audit committee of the Board may choose to appoint a different independent registered public accounting firm at any time during the year if the committee determines that such a change would, in its judgment, be in the best interests of our Company and our stockholders.

The following table presents information about the aggregate fees billed to us for services rendered by D&T during the periods presented:

- (2) Audit-related fees consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our consolidated financial statements and are not reported as audit fees. D&T rendered no such services for us in 2018 or 2017.

Pre-Approval Policies and Procedures

As a matter of policy, all audit, internal control-related and permitted non-audit services, as well as the fees and terms of such services, that are provided by our independent registered public accounting firm, except for non-audit services within the “de minimus” provisions of applicable SEC rules, are pre-approved by the audit committee of the Board. In considering such services for approval, the audit committee considers whether the provision of the services is compatible with maintaining the independence of our independent registered public accounting firm. All services provided by D&T in 2018 were pre-approved by the audit committee.

**OUR BOARD RECOMMENDS A VOTE “FOR” THE RATIFICATION OF
THE APPOINTMENT OF
D&T AS OUR
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Director Independence

Our common stock is listed on the Nasdaq Global Market. Under the rules of The Nasdaq Stock Market (“Nasdaq”), independent directors must comprise a majority of a listed company’s board of directors. In addition, Nasdaq rules require that, subject to specified exceptions, each member of a listed company’s audit, compensation and nominating committee be independent. Audit committee and compensation committee members must also satisfy the enhanced independence criteria set forth in Rules 10A-3 and 10C-1 under the Securities Exchange Act of 1934, as amended (“Exchange Act”), respectively, and corresponding Nasdaq rules.

Based on information requested from and provided by each director concerning his background, employment and affiliations, our Board has determined that Mr. Bolger, Dr. Mulé and Dr. Yen, constituting three of the four directors standing for re-election at the Annual Meeting, are independent directors within the meaning of applicable Nasdaq rules, and that each member of our audit committee and compensation committee satisfies the enhanced independence requirements of applicable Nasdaq and SEC rules. In making this determination, the current and prior relationships of each non-employee director with our Company and all other facts and circumstances deemed relevant were considered, including their beneficial ownership of our capital stock and any related party relationships involving our Company and any such director, as described under “Certain Relationships and Related Party Transactions” below.

There are no family relationships between any director nominees or executive officers of our Company, and there are no arrangements or understandings between any nominee and any other person pursuant to which such nominee was or is selected as a director or nominee.

The Board has determined that Mr. Hsieh is not independent because he is an employee of our Company.

Board Function, Composition and Meetings

The primary responsibilities of our Board are to provide oversight of the business and affairs of our Company, our long-term strategy and objectives and the management of our risks. The functions of the Board are carried out by the full Board and, when delegated, by our Board committees.

Our Board meets on a regular basis and additionally as needed. According to our corporate governance guidelines, our Board is to meet at least four times each year, and the independent directors of the Board are to meet in executive session (with no management directors or other management present) as often as they determine is appropriate and at least twice each year. In 2018, our Board held a total of four meetings. Each of our directors attended 100% of the total number of Board and applicable Board committee meetings held during the period in 2018 when he served.

Board Leadership Structure

Our Board is chaired by Mr. Hsieh. We believe having a single person serve as both Chair of our Board and Chief Executive Officer of our Company is the most effective leadership structure for us at this time. We believe Mr. Hsieh is the director best situated to identify strategic opportunities and focus the activities of the Board on the matters most critical to our business and strategy due to his commitment to our Company. The Board also believes the combined role of Chair of our Board and Chief Executive Officer promotes effective execution of strategic initiatives and facilitates information flow between management and the Board.

Board Committees

Our Board has established an audit committee, a compensation committee and a nominating committee and adopted a written charter under which each such committee operates, each of which satisfies applicable Nasdaq rules and is available on our website, www.fulgentgenetics.com. The composition and functions of each of these committees are described below. In accordance with applicable Delaware law, each committee may create one or more subcommittees consisting of one or more members of the committee and delegate to such a subcommittee any or all of the powers and authority of the committee. Members of our Board committees are expected to serve on these committees until their resignation or until otherwise determined by our Board.

Our Board may in the future establish other committees to facilitate the management of our business, in compliance with our certificate of incorporation, bylaws and applicable Delaware law and Nasdaq and SEC rules.

Audit Committee

Our audit committee is comprised of Mr. Bolger, Dr. Mulé and Dr. Yen, and Mr. Bolger serves as chair of the committee. We have determined that each member of the audit committee meets all applicable independence and financial expertise requirements under Nasdaq and SEC rules. In addition, our Board has determined that Mr. Bolger qualifies as an “audit committee financial expert” within the meaning of applicable SEC rules. The audit committee held four meetings in 2018.

The functions of this committee include, among other things:

- the oversight of our policies and procedures to fulfill our responsibilities regarding the fair and accurate presentation of our financial statements;
- selecting and appointing a firm to serve as the independent registered public accounting firm to audit our financial statements, and fulfilling related obligations, including compensating, retaining, working with and overseeing the work of such firm in various respects;
- reviewing and discussing with management and the independent registered public accounting firm our annual and quarterly audited financial statements and related matters before the filing thereof;

- preparing the audit committee report required by SEC rules to be included in our annual proxy statement;
- ensuring the independence of the independent registered public accounting firm;
- discussing the scope and results of the audit with the independent registered public accounting firm, and reviewing, with management and that firm, our interim and year-end operating results;
- establishing procedures for employees to anonymously submit concerns about questionable accounting or audit matters;
- considering the adequacy of our internal controls;
- reviewing and approving material related party transactions or those that require disclosure; and
- approving or, as permitted, pre-approving all audit and non-audit services to be performed by the independent registered public accounting firm.

Compensation Committee

Our compensation committee is comprised of Mr. Bolger, Dr. Mulé and Dr. Yen, and Dr. Mulé serves as chair of the committee. We have determined that each member of the compensation committee meets all applicable independence requirements under, and taking into account the factors set forth in, Nasdaq and SEC rules, is a non-employee director, as defined in Rule 16b-3 under the Exchange Act, and is an outside director, as defined in Section 162(m) of the Code. The compensation committee held four meetings in 2018.

The functions of this committee include, among other things:

- reviewing and approving, or recommending that our Board approve, the compensation of our executive officers, including reviewing and recommending to our Board the terms of any compensatory agreements with our executive officers;
- determining the objectives of our executive officer compensation programs, identifying what the programs are designed to reward, and modifying (or recommending that our Board modify) the programs as necessary, consistent with such objectives and intended rewards;
- reviewing and approving any stock option award or any other type of equity-based or equity-linked award as may be required for complying with any tax, securities, or other regulatory (including Nasdaq) requirement, or otherwise determined to be appropriate or desirable by this committee or our Board;
- reviewing and approving new incentive compensation and equity plans, as well as material changes to existing incentive compensation and equity plans;
- assisting management with appropriate compensation related disclosure and reports in certain SEC filings; and
- reviewing an annual compensation-risk assessment report and considering whether our compensation policies and practices contain incentives for executive officers and employees to take risks in performing their duties that are reasonably likely to have a material adverse effect on the Company.

In addition to the role of our compensation committee in establishing executive compensation, certain of our executive officers also play a role in determining or recommending the amount or form of executive compensation. In general, our Chief Executive Officer may review and make recommendations to the compensation committee regarding the compensation of our other executive officers and members of senior management, and our Chief Executive Officer and our other executive officers may also provide background information regarding the Company's strategies and input regarding business performance targets and performance-related compensation objectives. The compensation committee may review and consider these recommendations and other input in making compensation decisions, as it deems appropriate. Our Chief Executive Officer is not present during the compensation committee's or the Board's voting or deliberations regarding his own compensation.

Our compensation committee has the authority to engage the services of compensation consultants or other experts or advisors as it deems appropriate in fulfilling its responsibilities. Pursuant to its charter and in accordance with applicable Nasdaq and SEC rules, the compensation committee would assess the independence of any compensation consultant, including the existence of any conflicts of interest, before any engagement. Neither the compensation committee nor our management engaged any compensation consultants in 2018.

Nominating Committee

Our nominating committee is comprised of Mr. Bolger, Dr. Mulé and Dr. Yen, and Dr. Yen serves as chair of the committee. We have determined that each member of the nominating committee meets all applicable independence requirements under Nasdaq rules. The nominating committee held one meeting in 2018.

The functions of this committee include, among other things:

- identifying and recommending candidates for membership on our Board;
- evaluating, and overseeing the process of evaluating, the performance of our Board and individual directors; and
- assisting our Board on other matters as requested.

Our nominating committee has the authority to engage the services of search firms to identify director candidates or other experts or advisors as it deems appropriate in fulfilling its responsibilities. Neither the nominating committee nor our management engaged any such firms, experts or advisors in 2018.

Board Role in Risk Oversight

Risk is inherent in every business. We face a number of risks, including business, operational, strategic, research and development, cybersecurity, financial and legal and regulatory risks. In general, our management is responsible for the day-to-day management of the risks we face, while our Board, as a whole and through its committees, is responsible for the oversight of risk management.

In its risk oversight role, the Board and each of its committees regularly discusses, internally and with management, the material risks confronting our business, and considers the risks and vulnerabilities we face when granting authority to management and approving business strategies and particular transactions. As part of its oversight function, the Board also monitors the day-to-day risk management processes designed and implemented by our management and generally evaluates how our management operates our Company with respect to our risk exposures, in part through its committee structure as follows:

- the audit committee oversees management of risks relating to our financial reporting and accounting policies and any related party or conflict-of-interest transactions;
- the compensation committee oversees management of risks relating to our compensation practices and policies; and
- the nominating committee oversees management of risks relating to the composition of the Board, including the independence of our directors.

We believe our Board committees, which are all comprised solely of independent directors and which meet regularly without members of management present, and their roles in the Board's performance of its risk oversight function provide an appropriate level of independent oversight (including risk oversight) of our management, even in light of the Board's current leadership structure, consisting of a single person serving as both Chair of our Board and Chief Executive Officer of our Company.

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics that applies to all of our employees, officers (including our principal executive, financial and accounting officers and controller or persons performing similar functions), agents and representatives (including our directors and consultants). Additionally, we have adopted a supplemental code of ethics for senior financial officers, which applies to our Chief Executive Officer, Chief Financial Officer and other senior financial officers who have been designated by our Chief Executive Officer. Our code of business conduct and ethics and supplemental code of ethics for senior financial officers establish written standards for ethical conduct and are designed in accordance with applicable SEC rules.

Our code of business conduct and ethics and supplemental code of ethics for senior financial officers are available on our website, www.fulgentgenetics.com. We expect that any amendments to or waivers from certain provisions of our code of business conduct and ethics or supplemental code of ethics for senior financial officers applicable to any principal executive, financial or accounting officer or controller or persons performing similar functions will be disclosed on our website to the extent required by applicable Nasdaq or SEC rules.

Corporate Governance Guidelines

Our Board has adopted corporate governance guidelines to assist in the exercise of its responsibilities and to serve the interests of our Company and our stockholders. Our corporate governance guidelines are available on our website, www.fulgentgenetics.com.

Director Nominations

Our Board, as a whole and through our nominating committee, is responsible for identifying, evaluating and recommending nominees to serve as directors of our Company.

Qualifications

Our nominating committee is responsible for recommending director nominee candidates to the Board. Under the nominating committee's charter and our corporate governance guidelines, the committee considers the following qualifications in determining its director nominee recommendations, among others: experience in business, finance or administration; familiarity with national and international business matters; familiarity with our industry; prominence and reputation; and any other skills, expertise, business or other knowledge and experience that would be useful to the effective oversight of our business. Since prominence and reputation in a particular profession or field of endeavor are what brings most potential candidates to the Board's attention, the nominating committee also considers whether a director candidate has adequate time available to devote to the work of the Board and one or more of its committees. To this end, our corporate governance guidelines provide that no director should hold more than three public company directorships and our Chief Executive Officer and other Board members who are employed full-time should not hold more than two public company directorships. In addition, although we do not have a formal policy with respect to Board diversity, our Board strives to assemble a board of directors that brings a variety of perspectives and skills derived from diverse business and professional experience, and our nominating committee considers individuals from various disciplines and backgrounds in recommending director nominees. Further, our nominating committee is responsible for regularly evaluating the performance of each director then-serving on the Board and the Board as a whole, and considers the results of this evaluation in determining the candidates to recommend to the Board as director nominees. The nominating committee or the Board may establish additional or different qualifications for Board membership in the future, and the nominating committee is responsible for assessing the appropriate balance of qualifications required of Board members.

Other than the foregoing, there are no stated minimum qualifications for director nominees, and the nominating committee may consider these factors and any such other factors as it deems appropriate. The nominating committee does, however, review the activities and associations of each potential candidate to ensure there is no legal impediment, conflict of interest or other consideration that might hinder or prevent service on our Board. Additionally, the nominating committee recognizes that applicable Nasdaq rules provide that at least one member of our Board must meet the criteria for an “audit committee financial expert” as defined by SEC rules, at least a majority of the members of our Board must qualify as independent directors under applicable Nasdaq rules, and the members of certain of our Board committees must satisfy enhanced independence and financial expertise requirements under applicable Nasdaq and SEC rules.

Identification and Evaluation of Director Nominees

Our nominating committee may utilize a variety of methods for identifying director nominees. For example, potential director candidates may come to the attention of the nominating committee through current members of the Board, executive officers, professional search firms, stockholders or others. The nominating committee may consider and evaluate these candidates at any point during the year. In connection with each annual meeting of our stockholders, the nominating committee recommends to our Board certain director nominees for election at the annual meeting by our stockholders, and the Board then selects its director nominees based on its determination, using the recommendation and other information provided by the nominating committee, of the suitability of all director candidates, individually and in the aggregate, to serve as directors of our Company.

Stockholder Recommendations of Director Candidates

The nominating committee will consider director candidates recommended by stockholders and will evaluate any such candidates in the same manner as all other candidates. Any such recommendation should be made by sending a written recommendation addressed to our Corporate Secretary at the address of our principal executive offices, which should include the name, address and a current resume of the proposed director candidate, a statement describing the candidate’s qualifications and consent to serve on our Board if selected as a director nominee, and contact information for personal and professional references. The submission should also include the name and address of the stockholder who is submitting the proposed director candidate, the number of shares of our common stock that are owned of record or beneficially by the submitting stockholder and a description of all arrangements or understandings between the submitting stockholder and the proposed director candidate. Any stockholder-proposed director candidate that is selected by our nominating committee would be recommended by the committee as a director nominee to the Board, which would then consider and evaluate the candidate in the same manner and based on the same criteria and qualifications as other prospective director candidates. If approved by the Board, the individual would be appointed as a director to a vacant seat on the Board or included in the Board’s slate of recommended director nominees for election at our next annual meeting of stockholders.

Stockholder Nominations of Directors

A stockholder who wishes to nominate a director must comply with all applicable requirements set forth in our bylaws, including submission to us of timely written notice. To be timely, the written notice must be delivered to or mailed and received by our Corporate Secretary at the address of our principal executive offices no later than the 90th day before the date of the annual meeting of stockholders at which the director nominee is to be up for election. The stockholder’s written notice must include, among other things as specified in our bylaws, certain personal identification information about the stockholder and its recommended director nominee(s); the principal occupation or employment of the recommended director nominee(s); the class and number of shares of the Company that are beneficially owned by the stockholder and its recommended director nominee(s); and any other information relating to the recommended director nominee(s) that is required to be disclosed in solicitations for proxies for the election of directors pursuant to Regulation 14A under the Exchange Act. Stockholders may reference a copy of our bylaws by accessing the filings we make with the SEC, which are available through our website, www.fulgentgenetics.com, or through the SEC’s website, www.sec.gov. A stockholder who complies in full with all of the notice and other requirements set forth in our bylaws will be permitted to present the director nominee(s) at the applicable annual meeting of stockholders, but will not be entitled to have the nominee included in our proxy materials for the applicable meeting unless an SEC rule requires that we include the director nominee in our proxy materials.

Stockholder Communications with the Board

Stockholders may communicate with the Board by sending a letter to the attention of our Corporate Secretary at the address of our principal executive offices. Any such communication must set forth the name and address of the stockholder on whose behalf the communication is sent and indicate whether the communication is intended for the full Board, the non-employee directors as a group or an individual director. The Corporate Secretary, or his or her designee, may review any such communication before forwarding it to its intended recipient(s), and may choose not to forward any communication that is deemed, in the Corporate Secretary’s discretion, to be unrelated to the duties and responsibilities of the Board or unduly hostile, threatening, illegal, similarly unsuitable or otherwise inappropriate for Board consideration. Communications deemed to be appropriate will be forwarded to the Board or the identified director(s) on a periodic basis. Any communications that concern accounting, internal control over financial reporting or auditing matters will be handled in accordance with procedures adopted by the audit committee for such communications.

EXECUTIVE COMPENSATION

Elements of Compensation

The descriptions below summarize the elements of our executive officers' compensation. Our compensation arrangements with each of our executive officers are reflected in employment agreements and severance agreements with each of them, which are filed as exhibits to our Annual Report.

Base Salary

Until our initial public offering in September 2016, Mr. Hsieh had not earned or received any salary for his services as our President and Chief Executive Officer, Dr. Gao's annual base salary was \$180,000 and Mr. Kim's annual base salary was \$160,000.

Upon completion of our initial public offering, in light of their increased responsibilities for our Company, Mr. Hsieh, Mr. Kim and Dr. Gao began to receive annual base salaries of \$240,000, \$210,000 and \$210,000, respectively.

Cash Bonuses

Although each of our executive officers is eligible to receive cash bonuses at the discretion of the Board or the compensation committee, no cash bonuses were awarded to any of our executive officers for performance in 2017, 2018 or 2019 to date.

Equity Compensation

Each of our executive officers is eligible to receive equity awards under our equity compensation plans, as described under "Equity Compensation Plans" below, at the discretion of the Board or the compensation committee. Equity awards granted to our executive officers in 2018 are described in the Summary Compensation Table and Outstanding Equity Awards at Fiscal Year-End table below.

On February 27, 2019, we granted Mr. Kim a restricted stock unit award for 20,000 shares of our common stock, which vests over a four year period. The value of the restricted stock unit award was \$92,000, calculated in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 718 to reflect the grant date fair value of awards on their respective grant dates. Assumptions used in the calculation of these amounts are included in Note 10 to our audited consolidated financial statements included in the Annual Report.

Severance

We have entered into severance agreements with each of our executive officers. These severance agreements provide that, subject to an executive officer's execution and absence of revocation of a release in favor of us, the executive officer is entitled to one year of continuation of his then-current annual base salary following a termination of such executive officer's employment with us for any reason within one year after a change in control of our Company. In general, the severance agreements provide that a change of control will occur if: any person or group of persons becomes the beneficial owner of more than 50% of the combined voting power of our Company (except for a transaction in which the beneficial owners of voting securities of our Company before the transaction continue to hold, directly or indirectly, the same proportions of voting securities in our Company after the transaction); the individuals who comprise our Board (or such other individuals as may be approved by a vote of at least two-thirds of our Board) cease to comprise at least a majority of our Board in any 12-month period; our Company merges or consolidates with another entity (except for a merger or consolidation effected to implement a recapitalization or similar transaction); or our Company liquidates or dissolves or sells or otherwise disposes of substantially all of its assets; in each case subject to certain specified exceptions.

Other Elements of Compensation

401(k) Plan. We currently maintain a 401(k) retirement savings plan for our employees, including our executive officers, who satisfy certain eligibility requirements. Our executive officers are eligible to participate in our 401(k) plan on the same basis as our other full-time employees. Applicable tax rules allow eligible employees to defer a portion of their compensation, within prescribed limits, on a pre-tax basis through contributions to the 401(k) plan. Currently, we match contributions made by participants in the 401(k) plan up to a specified percentage of the employee contributions (up to 3% of pay), and these matching contributions are fully vested as of the date on which the contributions are made.

Health and Welfare Plans. Our executive officers are eligible to participate in our employee benefit plans, including our health and welfare plans, on the same basis as our other employees.

No Tax Gross-Ups. We generally do not make gross-up payments to cover our executive officers' personal income taxes that may pertain to any of the compensation paid or provided by our Company.

EQUITY COMPENSATION PLANS

We currently maintain or have in the past maintained the following equity compensation plans: the 2016 Plan, and our predecessor's Fulgent Therapeutics LLC Amended and Restated 2015 Equity Incentive Plan (the "Predecessor Plan").

2016 Plan

We adopted the 2016 Plan on September 16, 2016 in connection with our initial public offering and subsequently amended the 2016 Plan in 2018 to increase the number of shares of common stock authorized for issuance under the 2016 Plan by 2 million shares. The 2016 Plan provides for the grant of incentive stock options, non-qualified stock options, stock appreciation rights, restricted stock, restricted stock units, dividend equivalent rights and other stock and cash-based awards (including annual cash incentives and long-term cash incentives). Shares issued under the 2016 Plan will be shares of our common stock. Incentive stock options may be granted only to our employees and employees of any parent or subsidiary corporation. All other awards may be granted to our employees, directors or consultants and to employees, directors or consultants of any affiliated entity, including Fulgent LLC.

Share Reserve. We have reserved for issuance pursuant to awards under the 2016 Plan 3,447,368 shares of our common stock plus 656,901 shares of our common stock that will be available for issuance solely pursuant to the converted Fulgent LLC awards discussed below. In general, shares subject to awards granted under the 2016 Plan that are not issued or that are returned to us, for example, because the award is forfeited, the shares are retained by us in satisfaction of amounts owed with respect to an award or the shares are surrendered in payment of an exercise or purchase price or tax withholding, will again become available for awards under the 2016 Plan.

Administration. The compensation committee or our Board will administer the 2016 Plan. The administrator has the power to determine when awards will be granted, which employees, directors or consultants will receive awards, the terms of the awards, including the number of shares subject to each award and the vesting schedule of the awards, and to interpret the terms of the 2016 Plan and the award agreements. The administrator also has the authority to reduce the exercise prices of outstanding stock options and the base appreciation amount of any stock appreciation right if the exercise price or base appreciation amount exceeds the fair market value of the underlying shares, and to cancel such stock options and stock appreciation rights in exchange for new awards, in each case without stockholder approval.

Stock Options. The 2016 Plan allows for the grant of incentive stock options that qualify under Section 422 of the Code and non-qualified stock options. The exercise price of all options granted under the 2016 Plan must at least be equal to the fair market value of our common stock on the date of grant. The term of an option may not exceed 10 years, except that with respect to any employee who owns more than 10% of the voting power of all classes of our outstanding stock or any parent or subsidiary corporation as of the grant date, the term must not exceed five years, and the exercise price must equal at least 110% of the fair market value on the grant date. Not more than 3,447,368 shares of our common stock may be issued pursuant to incentive stock options granted under the 2016 Plan. After the continuous service of an option recipient terminates, the recipient's options may be exercised, to the extent vested, for the period of time specified in the option agreement. However, an option may not be exercised later than the expiration of its term.

Predecessor Plan

Historically, our predecessor, Fulgent LLC, granted to its employees and other service providers unit options, restricted share units and profits interest awards under the Predecessor Plan. The purpose of the Predecessor Plan was to offer selected persons a proprietary interest in Fulgent LLC. In connection with our initial public offering in September 2016, we completed a reorganization transaction in which Fulgent LLC became our wholly owned subsidiary and all then-outstanding equity interests in Fulgent LLC were equitably adjusted and converted into equivalent equity interests in our Company (the "Reorganization"). As a result, upon completion of the Reorganization, (i) all options to acquire units of Fulgent LLC that had been granted under the Predecessor Plan and were outstanding immediately before completion of the Reorganization were converted into option awards to acquire shares of our common stock that were granted under the 2016 Plan, and an individual's rights with respect to the Fulgent LLC unit options were canceled; (ii) all restricted share units relating to units of Fulgent LLC that had been granted under the Predecessor Plan and were outstanding immediately before completion of the Reorganization were converted into restricted stock unit awards relating to our common stock that were granted under the 2016 Plan, and an individual's rights with respect to the Fulgent LLC restricted share units were canceled; and (iii) all profits interest awards relating to units of Fulgent LLC that had been granted under the Predecessor Plan and were outstanding immediately before completion of the Reorganization were converted into common stock awards that were granted under the 2016 Plan, and an individual's rights with respect to the Fulgent LLC profits interest awards were canceled. Following completion of the Reorganization, no awards remain outstanding under the Predecessor Plan and no further awards have been or will be granted under this plan, and the Predecessor Plan has been terminated.

The following is a description of the material terms of the Predecessor Plan:

Units Subject to the Predecessor Plan. Before its termination, there were 15,300,000 common units of Fulgent LLC authorized for issuance under the Predecessor Plan. Before completion of the Reorganization, there were 4,493,000 common units of Fulgent LLC subject to outstanding options, 500,000 common units of Fulgent LLC subject to outstanding restricted share units and 10,000,000 outstanding common units of Fulgent LLC that constituted profits interests. Upon completion of the Reorganization, these options became options to acquire 591,112 shares of our common stock, these restricted share units became restricted stock units relating to 65,789 shares of our common stock, and these common units that constituted profits interests became 3,730,953 shares of our common stock.

Description of Awards. Options represent a right to purchase common units of Fulgent LLC. The term of each option is 10 years from the grant date of the option. Restricted share units are notional units that represent an unfunded and unsecured right to receive common units of Fulgent LLC. Profits interest awards are a type of equity award containing a participation threshold that entitles the recipient of the award to participate in the value of Fulgent LLC only to the extent it appreciates from and after the grant date of the award. Vesting schedules vary from award to award, but, generally, 1/4th of the total Fulgent LLC common units subject to options and restricted share units vest one year after the grant date and 1/16th of the total Fulgent LLC common units subject to options and restricted share units vest at the end of every three-month period thereafter, and profits interest awards generally vest on the grant date. Options were not exercisable, whether or not vested, until the earlier of a liquidity event or incorporation, each as defined in the Predecessor Plan. An incorporation was deemed to have occurred upon completion of the Reorganization, at which time the options became immediately exercisable, to the extent vested. Restricted share units are settled no later than 30 days following the applicable vesting date. The Predecessor Plan provides for adjustments to the number and kind of units subject to grants made under the Predecessor Plan and the number and kind of units covered by an award in the event of a reorganization, recapitalization, merger or other changes in Fulgent LLC's common units. The Predecessor Plan was set to expire pursuant to its terms on October 15, 2025. However, the manager of Fulgent LLC was authorized to amend, suspend or terminate the Predecessor Plan under certain circumstances, and no grants may be made after any such termination.

(“Xilong Scientific”) and Fuzhou Jinqiang Investment Partnership (LP) (“FJIP”) to form a joint venture under the laws of the People’s Republic of China (“PRC”) called Fujian Fujun Gene Biotech Co., Ltd. (“FF Gene Biotech”). FF Gene Biotech was established to offer genetic testing services to customers in the PRC. Xilong Scientific is an affiliate of Xi Long USA, Inc. (“Xi Long”), a large stockholder of our Company, and FJIP is owned by key management of FF Gene Biotech, including Dr. Gao, our Chief Scientific Officer and Laboratory Director, a large stockholder of our Company and the owner of approximately 25% of FJIP. FF Gene Biotech has a term of 50 years. FF Gene Biotech’s board of directors is composed of three directors, one of which has been appointed by us and two of which have been appointed by Xilong Scientific, and acts by majority vote on all matters except for certain exceptional matters that require unanimous consent.

The license agreement expired on December 31, 2018. Pursuant to the terms of the license agreement, FF Gene Biotech paid to us certain royalties based on the revenues of FF Gene Biotech, and we have provided certain technical services to FF Gene Biotech in connection with the license we have granted under the license agreement. We have recorded minimal royalties under the license agreement to date.

On May 13, 2016, Xi Long purchased 4,618,421 of Fulgent LLC’s Class D-1 preferred units from Mr. Hsieh, 2,565,789 of Fulgent LLC’s Class D common units from Dr. Gao and 3,078,948 of Fulgent LLC’s Class D common units from certain other members of Fulgent LLC, for an aggregate purchase price of approximately \$12.0 million. In connection with these purchases, on May 17, 2016, Fulgent LLC (i) redeemed all of the Class D-1 preferred units and Class D common units acquired by Xi Long from Fulgent LLC’s members in exchange for Fulgent LLC’s issuance to Xi Long of the same number of Fulgent LLC’s Class D-2 preferred units and (ii) issued and sold to Xi Long an additional 5,131,579 of its Class D-2 preferred units for an aggregate purchase price of approximately \$15.2 million.

On October 4, 2016, Mr. Hsieh purchased 1,000,000 shares of our common stock in our initial public offering on the same terms, including the public offering price of \$9.00 per share, as the other purchasers in the offering.

Investor’s Rights Agreement

On May 17, 2016, Fulgent LLC entered into an investor’s rights agreement with Xi Long, which we assumed in connection with our initial public offering.

Under the terms of the investor’s rights agreement, Xi Long is entitled to certain rights with respect to the registration under the Securities Act of 1933, as amended (the “Securities Act”) of the shares of our common stock that it holds. In general, any such registration would enable the holder of the registration rights to trade its shares without restriction under the Securities Act when the applicable registration statement is declared effective by the SEC. Under the terms and subject to the conditions of the investor’s rights agreement, Xi Long is entitled to certain demand registration rights on or after May 17, 2019, certain piggyback registration rights if we register any of our securities in connection with a public offering, and certain Form S-3 registration rights when we are eligible to file registration statements on Form S-3. We are generally required to pay the registration expenses, other than underwriting discounts and selling commissions, of the shares registered pursuant to any such registration, and we have agreed to certain indemnification obligations with respect to any such registration.

In addition, the investor’s rights agreement provides that, as long as Xi Long holds at least 1,315,789 shares of our common stock, we are required to provide Xi Long certain financial information at the end of each quarter, business plans upon their approval and certain additional information as it may request from time to time. However, we are not required to provide information that we deem in good faith to be a trade secret or similar confidential information, and we may require Xi Long to execute a confidentiality and nondisclosure agreement before our disclosure of any such information.

Our Chief Operating Officer, James Xie, is Mr. Hsieh’s brother. In 2017, 2018 and 2019 to date, Mr. Xie earned or was paid or awarded the compensation described below for his services for our Company. Mr. Xie is eligible to receive cash bonuses and equity awards on the same basis as our other similarly situated employees.

- (2) Amounts consist of our matching contributions under our 401(k) retirement savings plan.
- (3) Mr. Xie’s annual base salary is \$210,000 starting February 16, 2019.

Pharma Split-Off

On April 4, 2016, we split-off our former pharmaceutical business (the “Pharma Business”) in a transaction we refer to as the “Pharma Split-Off.” In the Pharma Split-Off, Fulgent LLC redeemed each of its member’s Class P units, which had economic rights based on the Pharma Business, distributed to each such member substantially identical units of our former subsidiary that operated the Pharma Business (“Fulgent Pharma”), and caused Fulgent Pharma to assume all then-outstanding options to acquire Class P units. Immediately following the Pharma Split-Off, Mr. Hsieh was the manager and largest equity holder of Fulgent Pharma.

Before the Pharma Split-Off, Mr. Hsieh contributed an aggregate of \$15.5 million to Fulgent LLC in a series of capital contributions, all of which were made before 2016. On May 19, 2016, Fulgent LLC, Fulgent Pharma and Mr. Hsieh entered into a contribution and allocation agreement pursuant to which the parties specified and agreed to the allocation of these capital contributions between Fulgent LLC and Fulgent Pharma in the following amounts: \$4.6 million was allocated to Fulgent LLC and \$10.9 million was allocated to Fulgent Pharma. The agreement also clarified that Mr. Hsieh’s contributions were properly characterized as capital contributions, rather than loans to Fulgent LLC and Fulgent Pharma, notwithstanding a series of promissory notes previously entered into by Mr. Hsieh and Fulgent LLC.

Fulgent Pharma uses office space in the facility at which our principal executive offices are located. Since the completion of the Pharma Split-Off, Fulgent Pharma reimburses us for the portion of the rent we pay that is attributable to the space it uses, which totals approximately \$2,000 per month for 2018.

Return of Capital Contribution

On September 20, 2016, in accordance with the terms of Fulgent LLC’s operating agreement, Fulgent LLC paid a distribution to Mr. Hsieh, as the sole holder of its Class D-1 preferred units, of \$4.6 million as a return of Mr. Hsieh’s capital contributions to Fulgent LLC.

Tax Distributions

Consistent with the terms of Fulgent LLC’s operating agreement, in November 2016, we paid tax distributions totaling \$1.3 million to the former members of Fulgent LLC. The aggregate amount of these tax distributions was based on the assumed income tax liabilities of such former members attributable to Fulgent LLC’s 2016 net taxable income through the date of the Reorganization. Of the aggregate amount of the tax distributions, (i) \$679,141 was paid to Mr. Hsieh and the Ming Hsieh Annuity Trust, collectively, (ii) \$52,870 was paid to Dr. Yen, (iii) \$33,044 was paid to Mr. Kim, (iv) \$177,568 was paid to Dr. Gao, (v) \$165,811 was paid to Xi Long, and (vi) \$66,088 was paid to Mr. Xie. Such amounts are based on each member’s percentage ownership interest in Fulgent LLC and Fulgent LLC’s 2016 net taxable income, in each case before the Reorganization; each member’s resulting share of such net taxable income; and each member’s resulting assumed income tax liabilities.

Sino-American Cancer Foundation and Taipei Medical University

We have performed, and may perform in the future, certain research testing services for the Sino-American Cancer Foundation, a charitable organization. In 2018, 2017 and 2016, we recognized revenue in the aggregate amount of \$0, \$0 and \$150,000, respectively, for such services. We subleased certain of our facilities to the Sino-American Cancer Foundation during 2016 through March 2019. In 2018, 2017 and 2016, we received aggregate proceeds of approximately \$33,000, \$22,000 and \$28,300, respectively, in connection with this sublease. In 2012 and 2016, we purchased certain chemicals and other materials for an aggregate price of approximately \$284,500 from the Sino-American Cancer Foundation in connection with the Pharma Business, which we split-off in the Pharma Split-Off and is not related to our current operations. Dr. Yen currently serves as the President and Chairman of the Sino-American Cancer Foundation.

We have performed, and may perform in the future, certain genetic sequencing services for Taipei Medical University. In 2018, 2017 and 2016, we recognized revenue in the aggregate amount of \$66,000, \$82,600 and \$353,000 for such services. Dr. Yen served as the President of Taipei Medical University until July 31, 2016 and currently serves as a Emeritus President at Taipei Medical University.

Reorganization

We completed the Reorganization on September 30, 2016, pursuant to which Fulgent LLC became our wholly owned subsidiary, all then-outstanding equity interests in Fulgent LLC were equitably adjusted and converted into equity interests in our Company, and the members of Fulgent LLC became our stockholders.

Indemnification Agreements

We have entered into indemnification agreements with each of our directors and officers, which provide these individuals with indemnification in addition to the indemnification provided for in our certificate of incorporation and bylaws. These agreements, among other things, require us to indemnify our directors and officers for certain expenses, including attorneys' fees, judgments, penalties, fines and settlement amounts, actually and reasonably incurred by such director and officer in any action or proceeding arising out of his or her service to us or any of our subsidiaries or any other company or enterprise to which the individual provides services at our request. Subject to certain limitations, these indemnification agreements also require us to advance expenses incurred by our directors and officers for the defense of any action for which indemnification is required or permitted.

Policies and Procedures for Related Person Transactions

Our Board has adopted a written related person transaction policy to establish policies and procedures for the review and approval or ratification of all related person transactions. This policy provides that our related persons, which consist of our executive officers, directors, director nominees, beneficial owners of more than 5% of our common stock and all immediate family members of and entities affiliated with any of the foregoing persons, are not permitted to enter into a material transaction in which we are a participant without the prior review and approval of our audit committee, or a special committee composed solely of disinterested directors in the event it is inappropriate for our audit committee to review the transaction due to a conflict of interest, where a "material transaction" constitutes a transaction in which the amount involved exceeds or is expected to exceed \$120,000 in any calendar year. In reviewing, considering and approving or rejecting any such material transaction, our related person transaction policy requires consideration of the facts and circumstances available to and deemed relevant by our audit committee or special committee, as applicable, including, among others, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related person's interest in the transaction.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table presents certain information known to us regarding the beneficial ownership of our common stock as of April 5, 2019, for:

- each of our directors and director nominees;
- each of our executive officers;
- all of our current directors and executive officers as a group; and
- each person, or group of affiliated persons, who beneficially owns more than 5% of our common stock.

We have determined beneficial ownership in accordance with applicable SEC rules. In computing the number of shares of common stock beneficially owned by a person and the percentage ownership of that person, we deemed to be outstanding all shares of common stock subject to stock options, restricted stock units or other derivative securities held by that person that are currently exercisable or convertible or that will become exercisable or convertible within 60 days after April 5, 2019, but we did not deem these shares outstanding for the purpose of computing the percentage ownership of any other person. We calculated percentage ownership based on 18,287,400 shares of common stock outstanding as of April 5, 2019. Except as otherwise indicated by the footnotes below, we believe, based on information furnished or otherwise available to us, that the persons named in the table below have sole voting and sole investment power with respect to all shares of our common stock that they beneficially own, subject to applicable community property or similar laws. The information in the table below is not necessarily indicative of beneficial ownership for any other purpose and the inclusion of any shares in this table does not constitute an admission of beneficial ownership of the shares.
